

1 Stock Split History and Corporate Actions

1.1 Stock Split Analysis (2020–2025)

Infosys has not executed any stock splits during the last five years. The most recent stock split occurred on **September 12, 2018**, with a 2-for-1 ratio. This marks a departure from the company’s historical pattern of regular stock splits. Since its IPO, Infosys has implemented several stock splits, including major ones in February 2000, 2004 (4-for-1), 2006, 2014, 2015, and 2018. These splits were historically aimed at improving liquidity and making shares more accessible to retail investors.

1.2 Comprehensive Dividend History (2020–2025)

Infosys has maintained a robust dividend policy over the last five years, declaring a total of 20 dividends. The company consistently paid interim and final dividends, occasionally supplemented with special dividends.

Table 1: Recent Dividend Declarations

Ex-Date	Record Date	Amount (Rs.)
May 30, 2025	May 30, 2025	22.00
October 29, 2024	October 29, 2024	21.00
May 31, 2024	May 31, 2024	20.00
May 31, 2024	May 31, 2024	8.00 (Special)

1.3 Strategic Acquisitions and Market Expansion

During this period, Infosys completed several strategic acquisitions that strengthened its presence in key digital areas:

- **Fluidio:** Acquired in October 2018 for up to EUR 65 million. As the largest Sales-force consulting partner in the Nordics, it enhanced Infosys’s enterprise cloud service capabilities.
- **GuideVision:** A Czech-based ServiceNow specialist, acquired for approximately EUR 30 million, bolstering Infosys’s European footprint and ServiceNow offerings.

These acquisitions were viewed positively by the market, aligning with Infosys’s strategy to grow its digital transformation and cloud services portfolio. This has also enabled a strong foothold in EU.
